

Ref. No.

Date 07.05.2021

NOTICE

In this hour of the pandemic, we, the Growing Seed society, are determined to provide as much care as possible, which we consider social responsibility. Growing Seed has decided to collaborate with the North Tripura district Health and Family Welfare Society, Government of Tripura to set up a vaccination booth at Nayapara (Near Royal Enfield Showroom), Dharmanagar, North Tripura, starting from 08/05/2021. The camp will operate twice a week (TUESDAY & SATURDAY) from 11 am to 4 pm. We hope that the local population will get benefitted from this drive.

Together we can win this battle.

(N.B: Currently available only for people above 45 years)
