The person who in need of any such kind of assistance and residing within our accessible range can call or WhatsApp on the given contact details.

- As our manpower is very limited, it may take time however we will try to deliver as soon as possible.
- The delivery from shop to the recipient is free however the price of the goods has to be provided by the recipient himself/herself.
- The delivery will be only available on permitted hours.
- The said operation will be carried out by strictly following government's guidelines on COVID 19.
